Full design Roberto Lazzeroni

Full è una collezione di contenitori, credenze, cassettiere e comodini con struttura in massello di noce americano di diverse tipologie e misure, con ampia scelta di accessori interni, pensata per offrire una personalizzazione sartoriale del proprio mobile così da renderlo unico e inconfondibile, fortemente correlato alla propria personalità e ai propri gusti. La collezione si ispira alla grande tradizione ebanistica italiana in cui si personalizzavano i mobili scegliendo in libertà finiture del legno, tessuti, pelli e colori. È un "vestito su misura" per soddisfare le richieste dei clienti più esigenti e appassionati: la massima libertà di scelta di combinazioni e personalizzazioni offre la possibilità di possedere un pezzo unico ed esclusivo, massima espressione del lusso.

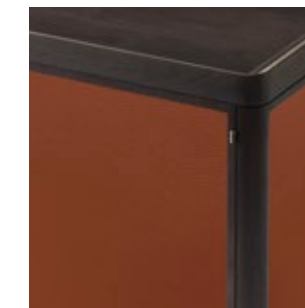

Full is a collection of cabinets, sideboards, drawer units and side tables, inspired by the great Italian ebanist craftsmanship, made in solid American walnut and available in different sizes. The collection offers a wide range of internal accessories and a "tailor-made" personalization allowing to select wood finishes, fabrics, leather and colors that makes each piece unique to satisfy the most sophisticated needs.
