## LA TRADIZIONE ITALIANA DAL 1868

100% HAND MADE AND HAND CARVED IN ITALY

LUXURY FURNITURE

Nata a Seveso nel lontano 1868,  
la nostra non è una semplice azienda  
che realizza mobili di lusso,  
bensì una piccola grande Famiglia Artigiana  
in cui il lavoro manuale e il calore umano sono al  
centro della nostra quotidianità.  
I nostri intagli, in vero legno massello,  
sono scolpiti a mano dai più sapienti  
mastri artigiani e le decorazioni dipinte a mano  
da esperti scenografi.  
Tutto realizzato in Italia. Tutto prodotto in Brianza.  
Dal disegno, ancora manuale, alla produzione.  
Dal montaggio all'imballo.  
I nostri mobili in stile Luigi XV, Barocco,  
Luigi XVI, Neoclassico e Transition sono in legno.  
La Meroni Francesco e Figli vuole regalare  
ancora oggi ai suoi clienti l'eccellenza di una tradizione  
preziosa che attinge alla magnificenza del Classico.  
La nostra Famiglia vuole offrire non solo Qualità, ma  
anche Alta Personalizzazione di Prodotto.  
Dalle misure agli intagli. Dai colori alle decorazioni

Born in 1868 in Seveso, our Brand is not only  
a proper factory of French and Italian  
Period Reproduction Luxury Furnishing, but also and  
especially a Big Family of Artisans focused on the  
Hand-Made Workmanship Tradition and on Human Hearth.  
Our carvings in solid wood are  
hand-sculpted by the cleverest Master Carvers.  
Our decorations are hand-painted by the best  
scenography experts as well.  
Everything made in Italy. Everything made in Brianza.  
From artisanal sketches to artisanal production.  
From artisanal assembly step to artisanal packing.  
Our furniture in Louis XV, Baroque, Louis XVI,  
Neoclassical and Transition Styles is actually in wood.  
Meroni Francesco e Figli wants to gift still nowadays  
the Excellence of an Artisanal Tradition handed down from  
the Magnificence of the Classical Period.  
Our Family desires to offer to our Clients not only  
High-End Quality but also High Product  
Personalization. From Measurements to Hand-Carvings.  
From Colours to Hand-Paintings subjects

An ornate, white-painted console table with gold leaf accents. The table features three drawers with decorative panels, a central panel with a floral motif, and a curved front edge. It has four legs and is topped with a white marble surface. On the table, there are several glass vases and a bouquet of purple roses.

Three glass vases of varying shapes and sizes, including a tall, slender one and a shorter, wider one, placed on the left side of the table.

A bouquet of purple roses in a clear glass vase, positioned on the right side of the table.

A decorative, fan-shaped object, possibly a shell or a piece of art, placed on the table next to the roses.
