An on-going search for trends in furniture combined with the ability to anticipate consumers' needs

The philosophy that has distinguished OAK since its foundation is an on-going search for trends in furniture combined with the ability to anticipate consumers' needs.

OAK's corporate DNA is marked by an entrepreneurial tradition that has been able to pass on from one generation to another experience, passion and dedication.

Craftsmanship, made in Italy, respect for tradition, know-how, attention to detail and the client's needs are the pillars on which our company is based.

KNOW-HOW

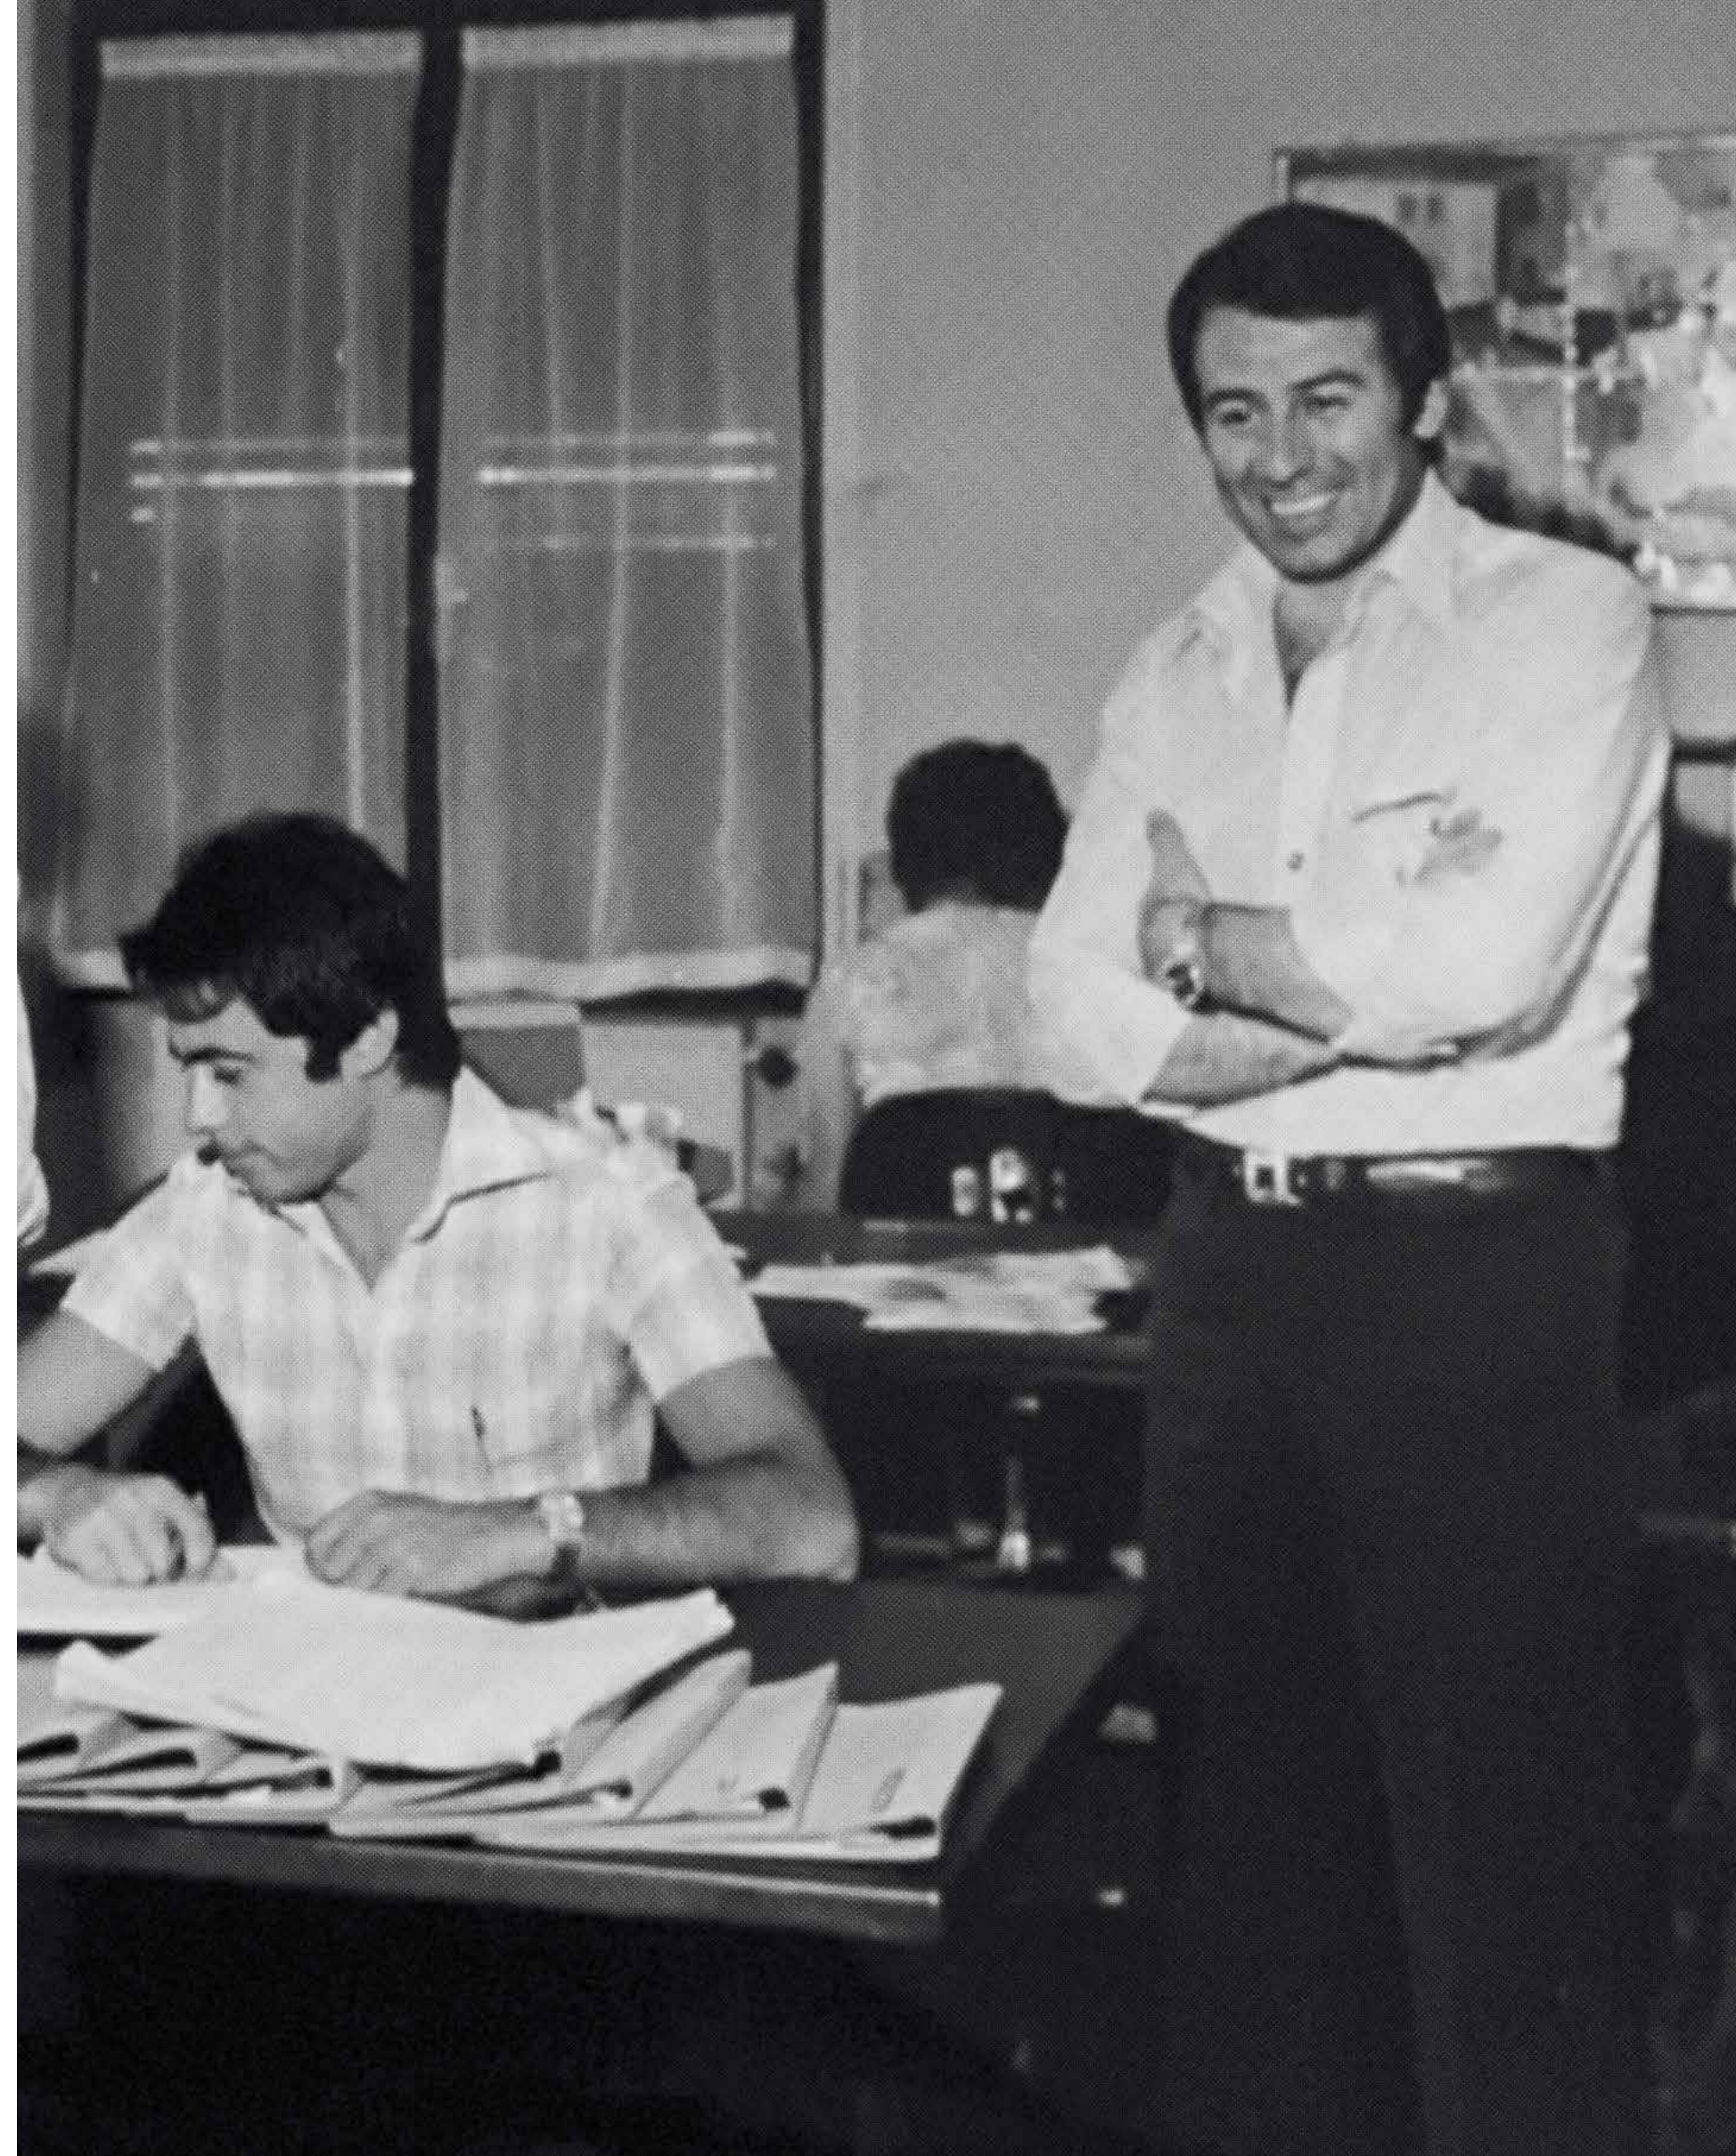

..

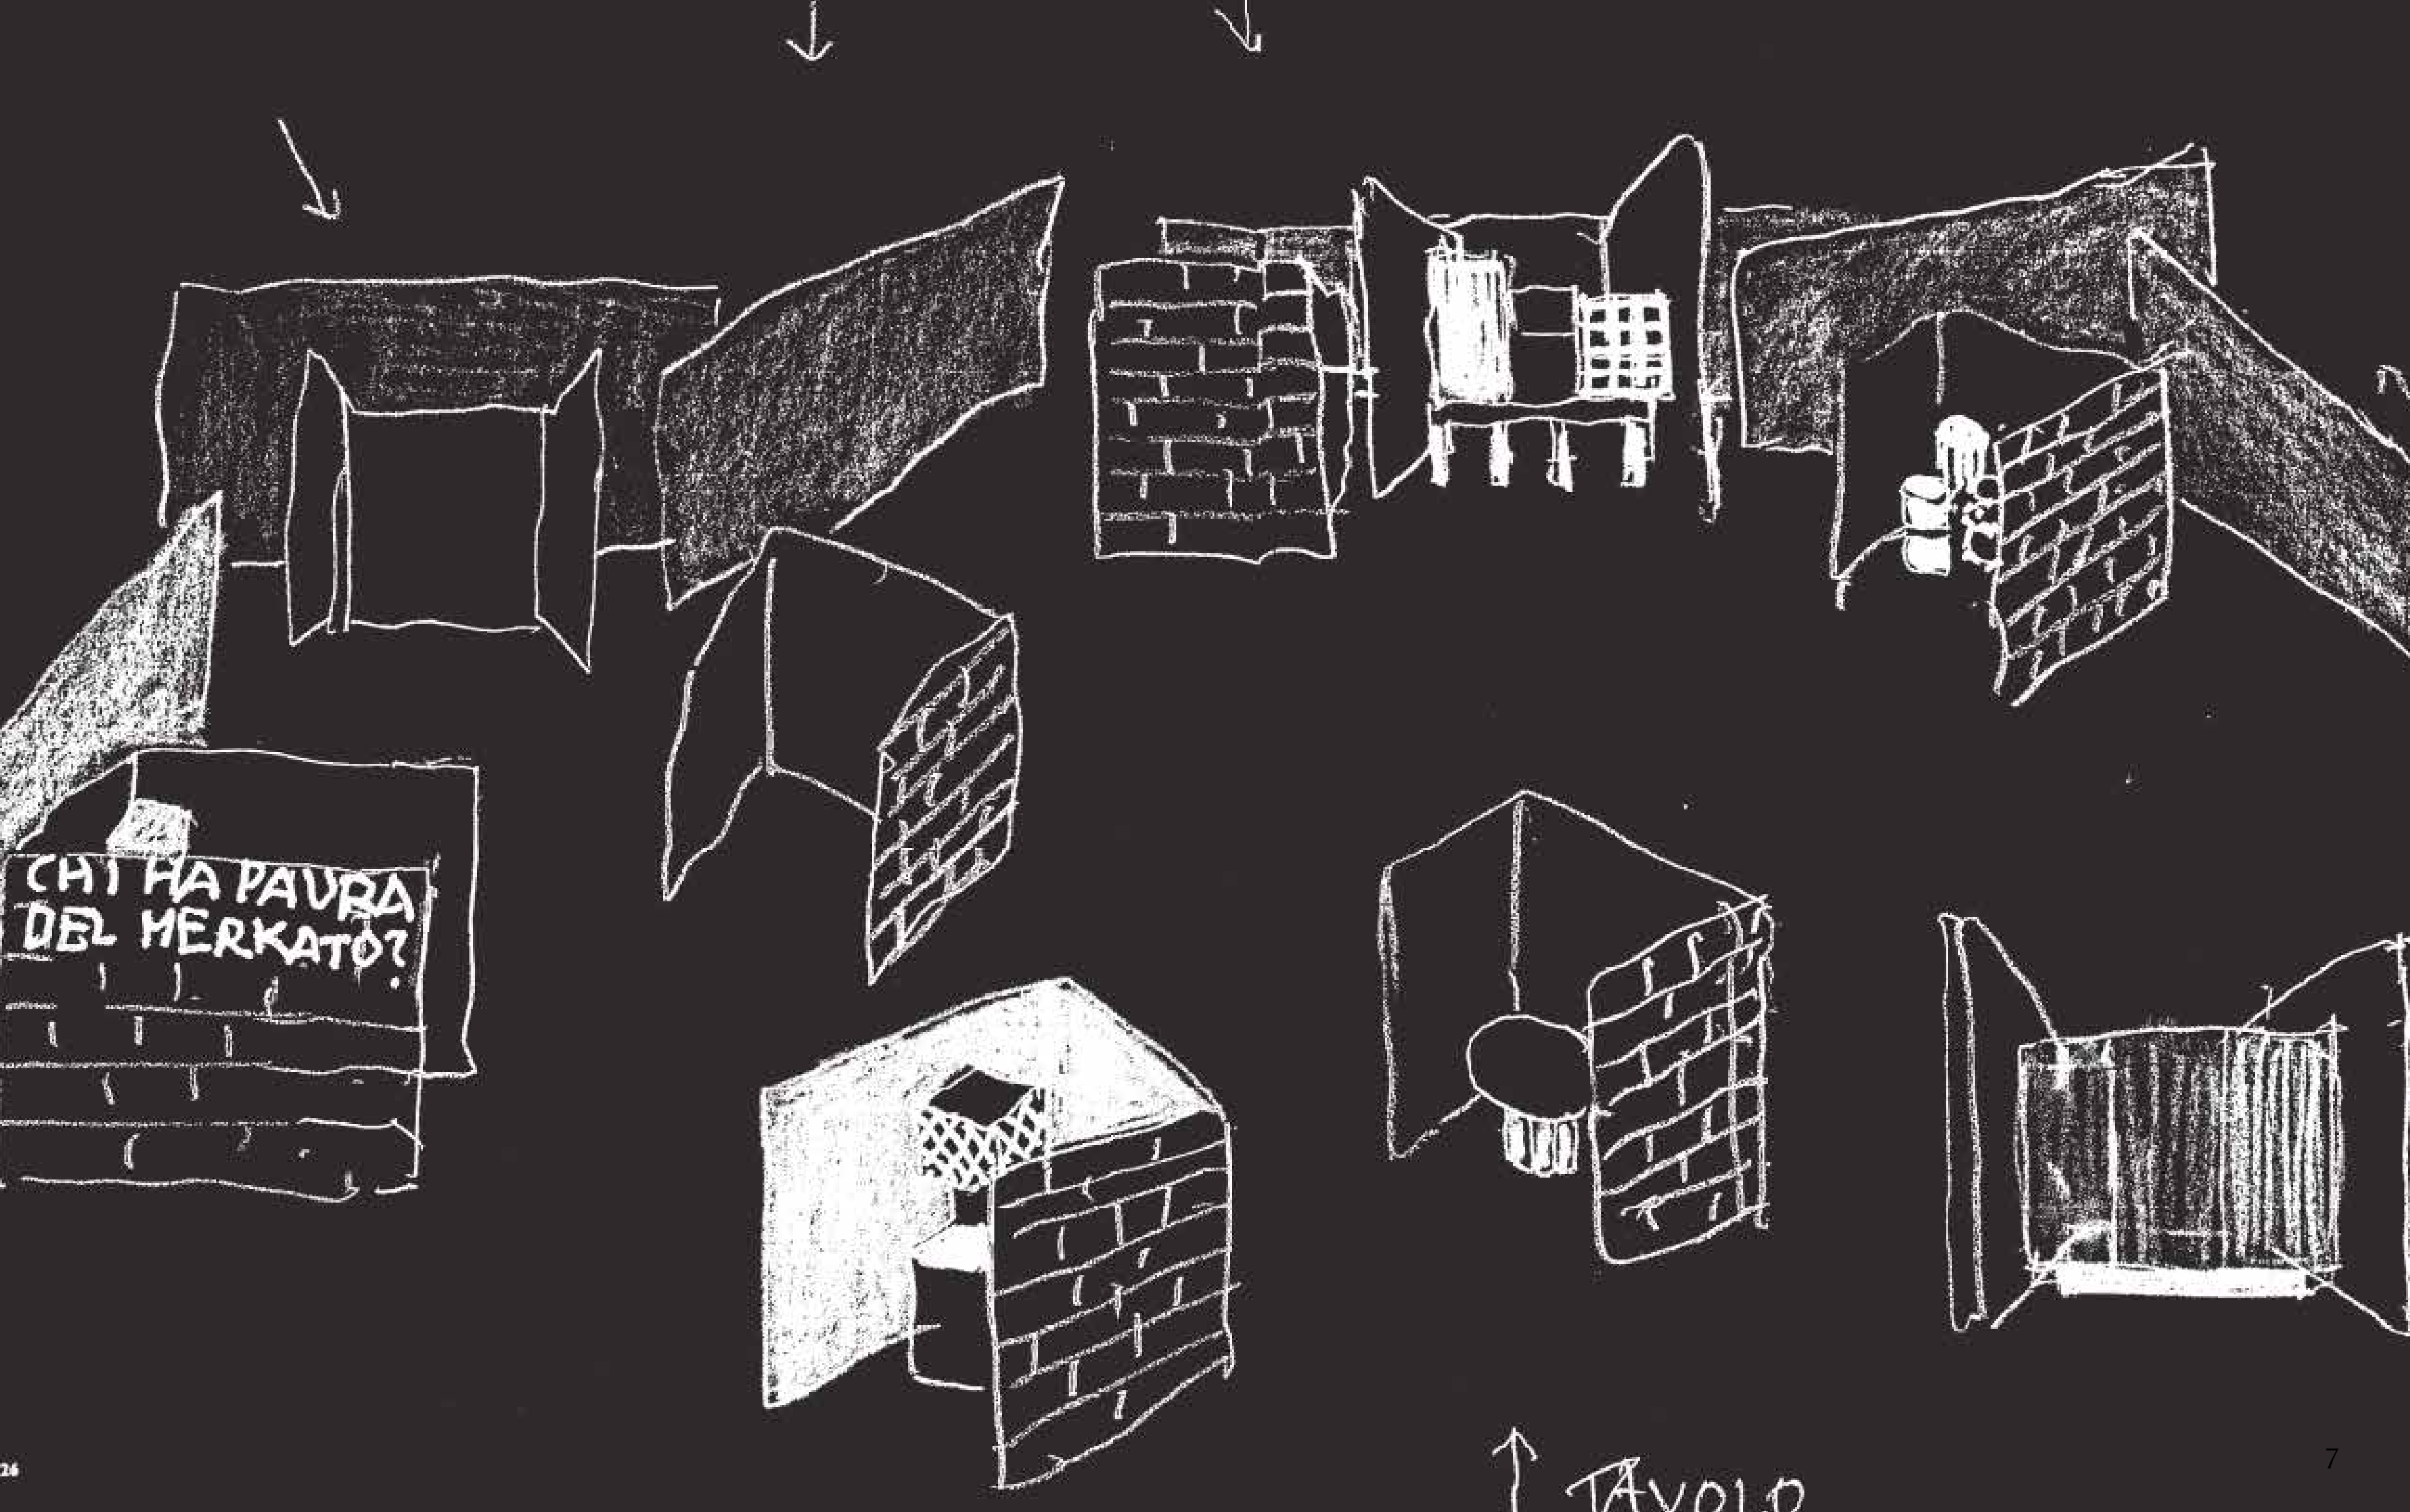

The continuous quest for precious materials and sophisticated technical solutions with low environmental impact

The continuous quest for precious materials and sophisticated technical solutions with low environmental impact are an added value that has been perfected in the course of almost half a century.

This method of working that fully distinguishes OAK, not only in the production sector, but also in custom projects, is the hallmark of our brand.

To our credit we boast private residences and prestigious clients both in Italy and abroad.

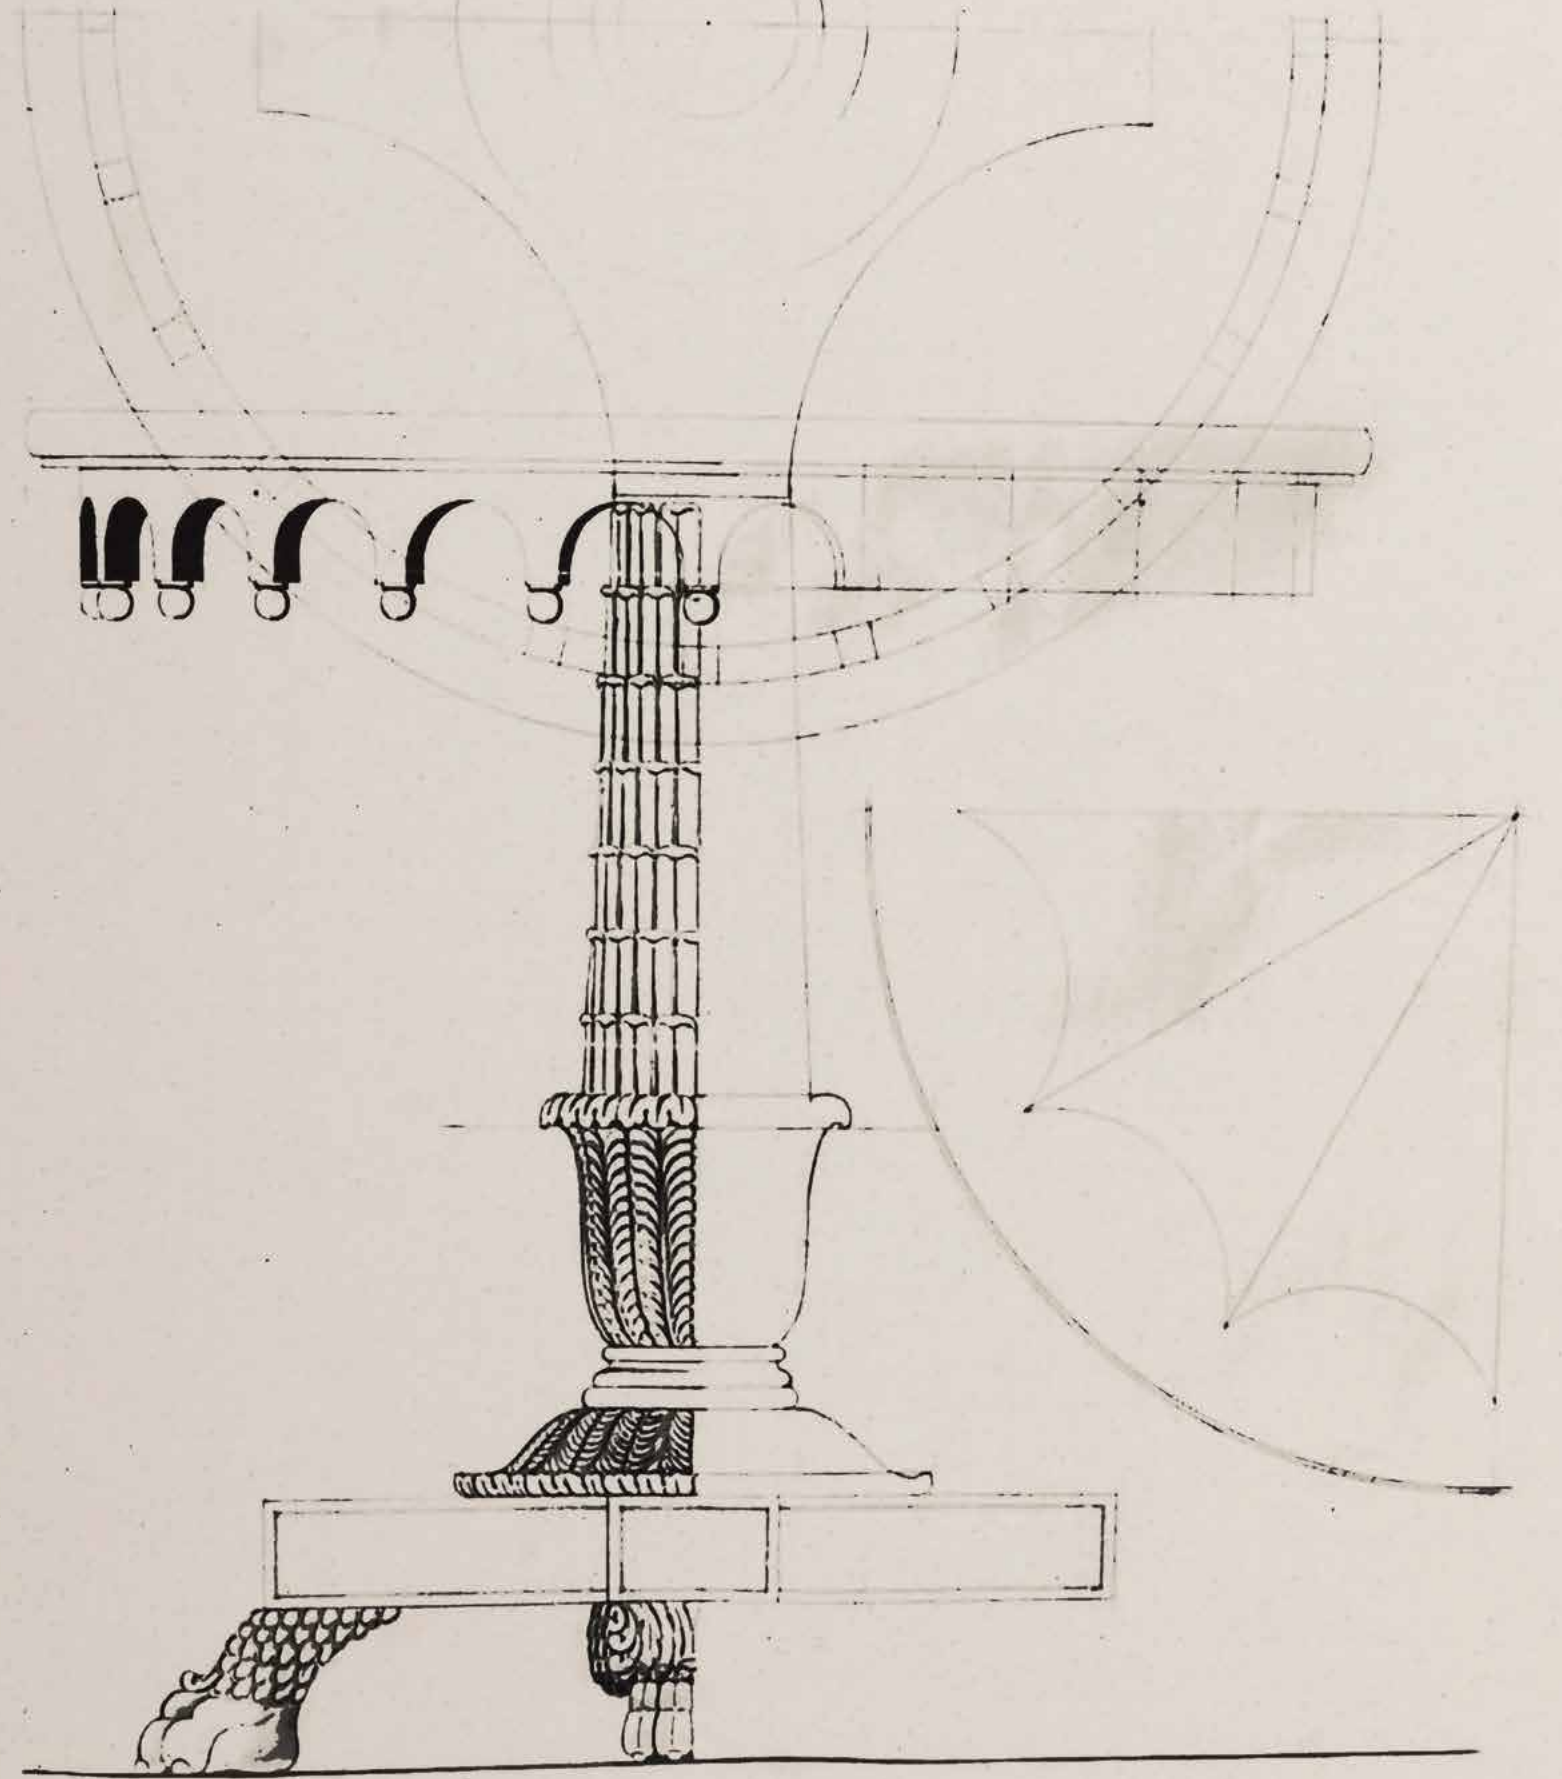

CHI HA PAURA

A dark, rectangular console table with a minimalist design, featuring a dark top and thin, dark legs. The table is positioned against a wall covered in a large, intricate tapestry. The tapestry depicts a central figure, possibly a deity or a historical figure, surrounded by lush foliage and a decorative border with repeating geometric patterns in blue, green, and gold. The table is set with a black vase containing greenery, a silver ring, and a brass sculpture.

A black, cylindrical vase with a textured surface, containing a bouquet of greenery and small blue flowers. The vase is placed on the left side of the console table.

A silver, circular ring or tray with a textured, possibly marbled surface, placed in the center of the console table.

A brass sculpture consisting of several overlapping, circular, fan-like shapes, creating a dynamic, abstract form. It is placed on the right side of the console table.

A large, intricate tapestry with a central figure, possibly a deity or a historical figure, surrounded by lush foliage and a decorative border with repeating geometric patterns in blue, green, and gold. The tapestry is mounted on a wall behind the console table.

A black wooden chair with a curved back and a woven seat. The chair is positioned on the left side of the dining table.

A round dining table with a clear glass top and a light-colored wooden base. The base is a star-shaped structure made of multiple wooden planks radiating from a central point. The table is set with a white ceramic fish sculpture, a white tray, and a stack of books. The books have titles including "TTALA", "BEYOND POLLOCK", and "D POLLOCK".

A black wooden chair with a curved back and a woven seat, matching the chair on the left. It is positioned on the right side of the dining table.

A modern console table with a white marble top and a dark grey base. On the table, there is a white ceramic vase, a green vase, and a lamp with a white shade and a decorative base. The console is positioned against a dark wall.

A window with white sheer curtains, located on the left side of the room. The curtains are partially open, allowing light to enter the room.
